

## SOHO PARISH PRIMARY - P.E. AND SPORTS GRANT FUNDING 2019-20

Sport Premium is an amount of money which the government has agreed to allocate to schools to increase the quality and breadth of PE and Sport provision, and increase participation in PE and Sport. The funding amount received by schools is based upon the number of children of primary age at the school.

At Soho Parish CofE Primary School the PE team, which is led by Laura and Mayowa, have the responsibility for developing PE and Sport and deciding upon the effective use of Sport Premium Funding. We welcome the additional funding, which will enable an excellent provision of PE, Sport and fitness, essential for children living in central London with often limited access to outside space.

The following table shows how Soho Parish CofE Primary School **intends** to spend the **2019/2020** Sports Premium money (**£17,480**)

The action plan below sets out how we propose to use our funding.
